Chair in Plant Health

Agri-Leadership Course

Presenter: Pieter Strauss

Pieter is a Chartered Accountant (CA) with more than 30 years' experience in corporate finance, risk management and project finance. He was a partner and director at PwC and is currently chairperson of various audit committees, lectures in finance and is a trustee of various large agricultural businesses.

Presenter: Verity Price

Presenting Coach, Accredited Speaker, 2021 World Champion of Public Speaking, Activating Improved Communication, Optimism and Innovation in organisations.

Presenter: Wilfred Reynolds

Wilfred has a degree in Agricultural Management and very successfully ran a family beef farming enterprise in KZN for 16 years, winning a prize from the Estcourt Conservation District for his excellent veld management.

In 1999 he sold up the farming operation to devote the rest of his life to developing people.

He moved to Cape Town to do Public Relations work for an NPO based in Khayelitsha. Four years later he moved on to work as a freelance training facilitator, and now has 20 years of experience in facilitating training workshops of various kinds, focussing on Leadership Development and Management skills.

Presenter: MC Botha

MC is the current Head of the Postgraduate Diploma in Project Management and the MBA Project Management. He has vast practical experience in project management and was responsible for the development of short courses from Foundational to Advanced level. His focus during the Agri Leadership course will be on Project Principles for an Entrepreneurial Mindset.
